25X1C 25X1C 25X1C 25X1C	epen and empty. Eleven MiG-15s  were parked in front of the open hangar.  About 12 jet fighters were standing in front of the southern hangar which was also open but its interior could not be seen. About 22 jet fighters were parked along the taxiway south of the hangars. Six of them, including the practiced flying. About 20 jet fighters were standing in front of the flight control building. A biplane, with the circled over the field. The jet fighters had one-man crews. *
